Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of Community Action of Greater Indianapolis, Inc. (a nonprofit organization) and Subsidiaries (Franklin School Apartments, L.P. and CAGI Housing, Inc.), 21st Street Seniors, L.P., 21st Street Seniors II, L.P., Commons at Spring Mill, L.P., and Beech Grove Senior, LLC (collectively, the Organization or Community Action of Greater Indianapolis, Inc. and Subsidiaries, et al.), which comprise the consolidated statement of financial position as of December 31, 2022, and the related consolidated statements of activities, functional expenses, changes in net assets and cash flows for the year then ended, and the related notes to the consolidated financial statements.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Community Action of Greater Indianapolis, Inc. and Subsidiaries, et al. as of December 31, 2022, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Community Action of Greater Indianapolis, Inc. and Subsidiaries, et al and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Community Action of Greater Indianapolis, Inc. and Subsidiaries, et al.'s ability to continue as a going concern for one year after the date that the consolidated financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Community Action of Greater Indianapolis, Inc. and Subsidiaries, et al.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Community Action of Greater Indianapolis, Inc. and Subsidiaries, et al.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.

Report on Summarized Comparative Information

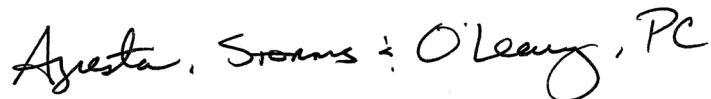

We have previously audited Community Action of Greater Indianapolis, Inc. and Subsidiaries, et al.'s December 31, 2021 consolidated financial statements, and we expressed an unmodified audit opinion on those audited consolidated financial statements in our report dated September 27, 2022. In our opinion, the summarized comparative information presented herein as of and for the year ended December 31, 2021 is consistent, in all material respects, with the audited consolidated financial statements from which it has been derived.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The accompanying supplementary information shown on pages 24 through 28 is presented for purposes of additional analysis, and is not a required part of the consolidated financial statements. The accompanying Schedule of Expenditures of Federal Awards is presented for purposes of additional analysis as required by the audit requirements of Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance), and is not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the consolidated financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated September 26, 2023 on our consideration of Community Action of Greater Indianapolis, Inc. and Subsidiaries, et al.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements, and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Community Action of Greater Indianapolis, Inc. and Subsidiaries, et al.'s internal control over financial reporting and compliance.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

NATURE OF ACTIVITIES

Community Action of Greater Indianapolis, Inc. (CAGI), a not-for-profit organization, exists to empower those served to become self-reliant and self-sufficient. Programs include children's services, economic enhancement initiatives, emergency assistance services and housing assistance and improvements. The consolidated operations also include CAGI Housing, Inc. (Housing), Franklin School Apartments, L.P. (FSA), CAGI 21st Street, LLC (CAGI 21st Street), CAGI 21st Street II, LLC (CAGI 21st Street II), Commons at Spring Mill, LLC (CAGI Commons), CAGI Beech Grove, LLC (CAGI Beech Grove), 21st Street Seniors, L.P. (21st Street Seniors), 21st Street Seniors II, L.P. (21st Street Seniors II), Commons at Spring Mill, L.P. (Commons at Spring Mill) and Beech Grove Senior, LLC (Beech Grove Senior). See Notes 4 and 5.

PRINCIPLES OF CONSOLIDATION

The consolidated financial statements include the accounts of CAGI, Housing, FSA, CAGI 21st Street, CAGI 21st Street II, CAGI Commons, CAGI Beech Grove, 21st Street Seniors, 21st Street Seniors II, Commons at Spring Mill, and Beech Grove Senior (collectively, the Organization or Community Action of Greater Indianapolis, Inc. and Subsidiaries, et al.). All significant intercompany transactions and balances have been eliminated in consolidation.

FINANCIAL STATEMENT PRESENTATION

The financial statements are in conformity with the provisions of Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 958, *Financial Statements of Not-for-Profit Organizations*. This statement established standards for external financial reporting for not-for-profit organizations.

ASC 958 primarily affects the display of financial statements and requires that the amounts for each of two classes of net assets – net assets with donor restrictions and net assets without donor restrictions – be displayed in an aggregate statement of financial position and the amounts of change in each of those classes be displayed in a statement of changes in net assets. The two-part net asset accounts used include the following:

Net Assets Without Donor Restrictions – Funds that have not been restricted in any manner by the donors are referred to as net assets without donor restrictions and are available for general Organization purposes. At December 31, 2022 and 2021, the Organization had net assets (deficiency) without donor restrictions of (\$244,011) and (\$377,420), respectively.

Net Assets With Donor Restrictions – Funds received from donors or grantors who have specified as to the use of their gifts or grants for specific purposes. Net assets with donor restrictions are subject to donor-imposed restrictions that will be met by future obligations or are to be invested and maintained intact in perpetuity. At both December 31, 2022 and 2021, the Organization had net assets with donor restrictions of \$1,537,131 and \$725,000, respectively.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

**DECEMBER 31, 2022
WITH SUMMARIZED COMPARATIVE FINANCIAL
INFORMATION AS OF AND FOR THE YEAR ENDED DECEMBER 31, 2021**

The Organization reports its activities in the following expense categories: program services, general and administrative expenses, and other multifamily housing expenses, which consist of all other nonprogram expenses. Program services include Energy and Weatherization, which provides low-income area residents financial assistance with energy costs; Children and Youth, which includes the Foster Grandparent Program; and Housing and Welfare, which helps fund various basic repairs to eligible homes. Expenses that are common to these two categories are allocated based upon management's estimate. For example, salaries and wages expense is allocated based on management's estimate of employee time spent on program services and general and administrative activities. Housing, FSA, 21st Street Seniors, 21st Street Seniors II, Commons at Spring Mill, and Beech Grove Senior do not report information in this manner, as they are for-profit enterprises and are not program-driven. Accordingly, all expenses for Housing, FSA, 21st Street Seniors, 21st Street Seniors II, Commons at Spring Mill, and Beech Grove Senior are included in other multifamily housing expenses.

CAGI reports information regarding its financial position and activities in accordance with ASC 958. Housing, FSA, 21st Street Seniors, 21st Street Seniors II, Commons at Spring Mill, and Beech Grove Senior do not report their information in such categories, as they are for-profit enterprises.

Net assets without donor restrictions include resources which are not subject to donor-imposed restrictions and those resources for which donor-imposed restrictions have been satisfied. Donor-restricted contributions and grants whose restrictions were met in the same year are reported as without donor restrictions. Net assets with donor restrictions include assets of CAGI related to contributions with explicit donor-imposed restrictions that may or will be met either by action of CAGI and/or the passage of time, and assets subject to donor-imposed stipulations that are to be maintained permanently by CAGI.

Revenue and support are reported as increases in the appropriate category of net assets for CAGI. Expenses are reported as decreases in net assets without donor restrictions for CAGI. Gains and losses on investments are reported in the statement of activities as increases or decreases in net assets without donor restrictions unless their use is restricted by explicit donor stipulations or by law.

BASIS OF ACCOUNTING

The consolidated financial statements for CAGI are prepared in conformity with the basis of accounting prescribed or permitted by the federal grantors, as listed in the schedule of expenditures of federal awards. This basis of accounting differs from accounting principles generally accepted in the United States of America, however this difference is immaterial. Except as described in the following paragraphs, CAGI, Housing, FSA, 21st Street Seniors, 21st Street Seniors II, Commons at Spring Mill, and Beech Grove Senior's financial statements are prepared using the accrual basis of accounting whereby revenues and assets are recorded when earned and expenses and liabilities are recorded when incurred.

ACCOUNTS RECEIVABLE

Accounts receivable consists primarily of amounts due from claims submitted by CAGI against federal, state and local grants. The federal government of the United States and the State of Indiana, combined to account for approximately 97% and 69% of the accounts receivable of CAGI at December 31, 2022 and 2021, respectively. Based upon prior history and management's assessment of collectability, no allowance has been deemed necessary for accounts receivable.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

**DECEMBER 31, 2022
WITH SUMMARIZED COMPARATIVE FINANCIAL
INFORMATION AS OF AND FOR THE YEAR ENDED DECEMBER 31, 2021**

Management has determined that operating advances to and interest earned from certain related parties are to be reserved. All amounts related to operating advances to and interest earned from these related parties have been eliminated in the consolidated statement of financial position and consolidated statement of activities as of and for the years ended December 31, 2022 and 2021.

NOTES RECEIVABLE

Notes receivable consists of amounts due from an unrelated party for the purchase of three homes that the Organization decided to sell as part of the transitional housing program. The homes were sold on contract and will be paid off over three years. At December 31, 2022 and 2021, amounts due on these notes were \$108,919 and \$114,933, respectively.

INVENTORY

Materials and supplies are charged to expense during the period of purchase. As a result, no inventory is recognized for these items in the accompanying consolidated financial statements.

PROPERTY AND EQUIPMENT

Property and equipment are recorded at cost and capitalized in accordance with generally accepted accounting principles. Estimated useful lives range from 5-40 years using the straight-line method.

Assets obtained with federal funds are considered to be owned by CAGI while used in the program. Funding agencies obtain a reversionary interest in any proceeds from the sale of equipment when the original acquisition was paid with federal or state grant funds. The use of assets purchased with federal funds is limited to the purposes intended by the funding source.

Property and equipment received by CAGI without donor-imposed restrictions is classified as unrestricted net assets. Depreciation expense for CAGI for the years ended December 31, 2022 and 2021, was \$47,518 and \$23,199, respectively.

FSA, 21st Street Seniors, 21st Street Seniors II, Commons at Spring Mill, and Beech Grove Senior record building and improvements at the initial purchase price plus the cost of the renovation. Construction period interest and certain holding costs have been capitalized. The buildings, site improvements, and personal property are depreciated using the straight-line method over lives of 40 to 50 years, 15 to 20 years, and 5 to 10 years, respectively. Depreciation expense totaled \$931,586 and \$946,396 for the years ended December 31, 2022 and 2021, respectively, and is recorded in other multifamily housing expenses on the consolidated statement of activities. Repair and maintenance costs are expensed as incurred.

LONG-LIVED ASSETS

The Organization reviews the carrying values of its long-lived assets for possible impairment whenever events or changes in circumstances indicate that the carrying amount of the assets may not be recoverable. Any long-lived assets held for sale are reported at the lower of their carrying amounts or fair value less the estimated cost to sell. Recoverability for FSA, 21st Street Seniors, 21st Street Seniors II, Commons at Spring Mill, and Beech Grove Senior is measured by a comparison of the carrying amount of the real estate to the future net undiscounted cash flow expected to be generated by the rental property, including the low-income housing tax credits and any estimated proceeds from the eventual disposition of the real estate. If the real estate is considered to be impaired, the impairment to be recognized is measured at the amount by which the carrying amount of the real estate exceeds the fair value of such property. No impairment loss has been recognized during the years ended December 31, 2022 and 2021.

GRANTS AND OTHER REVENUE

Grants- CAGI recognizes revenues from cost-reimbursement grants in the period in which the related expenses are incurred. Reimbursements requested for grant funds under cost-reimbursement programs prior to related expenses being incurred are recognized as deferred revenue. Grants that are not cost-reimbursement are recognized when earned.

Contributions- unrestricted contributions are recognized as revenue in the period received or at the time a claim for the actual cost of providing services is determined and reported in the statements of activities.

Development fees- revenue for services provided in the development of low-income housing tax credit projects are deferred until collected.

RENTAL INCOME

Rental income for Housing, FSA, 21st Street Seniors, 21st Street Seniors II, Commons at Spring Mill, and Beech Grove Senior is recognized when earned.

INCOME TAXES

CAGI is a not-for-profit organization incorporated under the laws of the State of Indiana and is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code.

CAGI files income tax returns in the U.S. federal jurisdiction and one state. CAGI is no longer subject to U.S. federal or state income tax examinations by tax authorities for the years prior to 2019. Such tax examinations could include questioning CAGI's tax exempt status and compliance with federal, state, and local tax laws. As of and for the year ended December 31, 2022, tax authorities have not proposed any adjustments that would result in a material change to CAGI's consolidated financial position. No tax-related interest or penalties have been recorded in these consolidated financial statements. GAAP requires an entity to recognize the financial statement impact of a tax benefit position when it is more likely than not that the position will be sustained upon examination. CAGI does not believe it is taking any uncertain tax benefit positions.

INFORMATION AS OF AND FOR THE YEAR ENDED DECEMBER 31, 2021**

CAGI Housing, a C corporation, accounts for income taxes in accordance with FASB ASC Topic 740, *Income Taxes* (Topic 740), as required. Topic 740 provides for current and deferred tax liabilities and assets utilizing an asset and liability approach. No current or deferred taxes were recorded at December 31, 2022 and 2021.

FSA, 21st Street Seniors, 21st Street Seniors II, and Commons at Spring Mill are organized as limited liability partnerships and Beech Grove Senior is organized as a limited liability company under the Internal Revenue Code. Income, gains, losses and credits are recognized by individual partners and members. Accordingly, no provision for federal and state taxes on revenue and net income has been recognized in the accompanying consolidated financial statements.

ESTIMATES

The preparation of consolidated financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities, and the reported amounts of revenues and expenses including asset impairment losses. Actual results could differ from those estimates. Significant estimates used in preparation of these financial statements include depreciation, amortization, and allocation of functional expenses.

CASH AND CASH EQUIVALENTS

The Organization considers all highly liquid investments available for current use with an initial maturity of three months or less to be cash equivalents.

ADVERTISING COSTS

The Organization incurs advertising costs in the normal course of business, which are expensed as incurred. Advertising costs totaled \$36,583 and \$50,145 during the years ended December 31, 2022 and 2021, respectively, and are recorded in general and administrative expenses, program services expense, and in other multifamily housing expenses on the consolidated statement of activities.

ADOPTION OF NEW ACCOUNTING STANDARD

In February 2016, the FASB issued ASU No. 2016-02, *Leases* (Topic 842). This new standard, which the Organization adopted effective January 1, 2022, is intended to improve financial reporting about leasing transactions by requiring entities that lease assets to recognize on their balance sheets the assets and liabilities for the rights and obligations created by those leases and to provide additional disclosures regarding the leases. Leases with terms (as defined in the ASU) of twelve months or less are not required to be reflected on an entity's balance sheet. See Note 11.

FUNDING

CAGI is substantially funded by grants awarded by the federal government. The majority of the agreements contain provisions which permit the arrangements to be terminated or the funds provided to be reduced if the unit of government does not appropriate an adequate amount of funds to maintain the current funding levels. Any deferred revenue or excess funds on hand under cost reimbursement grants at the termination date would be subject to refund if such funds exceeded the accrued expenditures allowable under the grants and contracts at that date.

In the normal course of operations, CAGI receives grant funds from various federal agencies. In the opinion of management, the audits will not result in a material liability to CAGI.

During the years ended December 31, 2022 and 2021, 57% and 88%, respectively, of CAGI's grant revenue was passed through from the Indiana Housing and Community Development Authority.

CREDIT RISK

CAGI, FSA, 21st Street Seniors, 21st Street Seniors II, Commons at Spring Mill, and Beech Grove Senior maintain substantially all temporary cash investments at high credit quality financial institutions. From time to time, such balances may exceed federally insured limits. NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

YEAR ENDED DECEMBER 31, 2022

1. BASIS OF PRESENTATION

The accompanying Schedule of Expenditures of Federal Awards (the Schedule) summarizes the federal award expenditures disbursed by Community Action of Greater Indianapolis, Inc. received from the federal government for the year ended December 31, 2022.

For the purpose of the Schedule, federal awards include pass-through funds from grants and contracts entered into directly between CAGI and state or local agencies and departments of the federal government. Expenditures for these federal pass-through programs, as well as nonpass-through programs, are recognized on the accrual basis of accounting.

EQUIPMENT

Property and equipment are recorded at cost and capitalized in accordance with generally accepted accounting principles. Estimated useful lives range from 5-40 years using the straight-line method.

Assets obtained with federal funds are considered to be owned by CAGI while used in the program. Funding agencies obtain a reversionary interest in any proceeds from the sale of equipment when the original acquisition was paid with federal or state grant funds. The use of assets purchased with federal funds is limited to the purposes intended by the funding source.

INVENTORY

Materials and supplies are charged to expense during the period of purchase. As a result, no inventory is recognized for these items in the accompanying financial statements.

DE MINIMIS COST RATE

CAGI does not utilize the 10% de minimis cost rate because the guidance under Part 200.414 *Indirect Costs* does not apply.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES FOR FEDERAL AWARD EXPENDITURES

Expenditures consist of direct and indirect costs. Direct costs are those that can be readily identified with an individual federally sponsored program. Benefit payments made on behalf of an eligible recipient and the materials consumed by the program are examples of direct costs.

Unlike direct costs, indirect costs cannot be readily identified with an individually sponsored project. Indirect costs are the costs of services and resources that benefit many projects as well as nonsponsored projects and activities. Indirect costs primarily consist of expenses incurred for administration, payroll taxes and fringe benefits.

3. MANAGEMENT'S USE OF ESTIMATES

The above basis of accounting requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, revenues and expenses and disclosures of contingent assets and liabilities reported in the schedule of expenditures of federal awards. Actual results could differ from those estimates.

Independent Auditors' Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with Government Auditing Standards

To the Board of Directors of
COMMUNITY ACTION OF GREATER INDIANAPOLIS, INC. AND SUBSIDIARIES
(an Indiana Not-For-Profit Corporation)
Indianapolis, Indiana

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the consolidated financial statements of Community Action of Greater Indianapolis, Inc. and Subsidiaries, et al. which comprise the consolidated statement of financial position as of December 31, 2022, and the related consolidated statements of activities, functional expenses, changes in net assets and cash flows for the year then ended, and the related notes to the consolidated financial statements and have issued our report thereon dated September 26, 2023. The financial statements of 21st Street Seniors, L.P., 21st Street Seniors II, L.P., Commons at Spring Mill, L.P. and Beech Grove Senior, LLC were not audited in accordance with *Government Auditing Standards*, and accordingly, this report does not include reporting on internal control over financial reporting or instances of reportable noncompliance associated with these entities.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Organization's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of Community Action of Greater Indianapolis, Inc. and Subsidiaries, et al.'s. financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

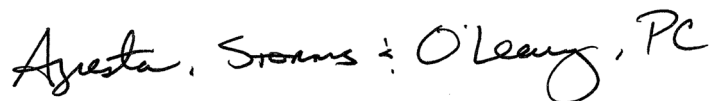

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the result of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Independent Auditors' Report on Compliance for Each Major Federal Program and on Internal Control over Compliance in Accordance with the Uniform Guidance

To the Board of Directors
COMMUNITY ACTION OF GREATER INDIANAPOLIS, INC.
(an Indiana Not-For-Profit Corporation)
Indianapolis, Indiana

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited Community Action of Greater Indianapolis, Inc.'s compliance with the types of compliance requirements described in the U.S. *Office of Management and Budget (OMB) Compliance Supplement* that could have a direct and material effect on each of the Organization's major federal programs for the year ended December 31, 2022. The Organization's major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

In our opinion, Community Action of Greater Indianapolis, Inc. complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs identified in the summary of auditors' results section of the accompanying Schedule of Findings and Questioned Costs for the year ended December 31, 2022.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS), the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, and the audit requirements of *Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance)*. Our responsibilities under those standards and Uniform Guidance are further described in the Auditors' Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of Community Action of Greater Indianapolis, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion. Our audit does not provide a legal determination of Community Action of Greater Indianapolis, Inc.'s compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to Community Action of Greater Indianapolis, Inc.'s federal programs.

Auditors' Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and to express an opinion on Community Action of Greater Indianapolis, Inc.'s compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than that for resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about Community Action of Greater Indianapolis, Inc.'s compliance with the requirements of the government program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding Community Action of Greater Indianapolis, Inc.'s compliance with the compliance requirements referred to above and performing such other procedures as we consider necessary in the circumstances.
- Obtain an understanding of Community Action of Greater Indianapolis Inc.'s internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of Community Action of Greater Indianapolis, Inc.'s internal control. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control over Compliance

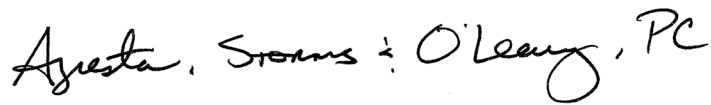

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the “Auditors’ Responsibilities for the Audit of Compliance” section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that have not been identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of the entity’s internal control over compliance. Accordingly, no such opinion is expressed.

Purpose of Report

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
